

READERS' CORNER

KEY

- 1. They are like turtles because they take their entire house with them wherever they go.**
1. People who travel extra-light take only their credit card with them, because they'll buy everything they need at their destination.
2. Teenagers and young people go camping because they love Nature and the outdoors.
3. Yellowstone National Park is in the United States of America.
4. The youth hostel is the alternative to a hotel or a bed-and-breakfast.
5. Walter Andrews is not happy with his family life, and as he wants to become an astronaut he decides to take a spaceship and travel to another planet.
6. Curiosity is the most important ingredient for a successful trip, because it opens your heart and your mind to all the new things around you.
